ATHENS 2009

EUROLYMP WEEK

ATHENS 2009

At the beginning of the new sailing quadrenium, which portend difficult due to the global crisis, although interesting for any of us who fights for the progress of this sport, the organization of the 19th Athens Eurolymp Week, the 1st Eurolymp of 2009, forms for the Hellenic Sailing Federation a great challenge for changes. The organization of a high level sailing event among others has as primary purpose the increase of public interest and Media, necessary elements for the support of our sport.

The high level of the regatta though is secured by its stars, namely the sailors that will participate. Therefore our basic aim this year is, on one hand, to increase the number of participants' sailors and countries and, on the other, to attract high class sailors such as Olympic and World winners, who will add with their prestige higher interest and will increase emulation.

With these thoughts, we made a series of changes. The most important change of all is the change of the dates of the Athens Eurolymp Week, which will take place from the 22nd until the 27th of March, at our Olympic standards facilities, at Faliron Olympic Complex, Marina Delta Falirou, securing weather conditions of early summer, especially for sailors from northern countries.

Moreover we offer to the sailors that will participate to this regatta:

- The 1st Match Race of this year Eurolymp Weeks with free boats & umpires
- Money Prizes to winners
- Unconditional money prizes to the winners of 2.4mR
- 50% Discount for transportation with Superfast Ferries
- Low cost accommodation
- Free Social Events

We look forward to seeing you all in Athens at one more celebrating event of sailing.

Antonis Dimitrakopoulos
President of the Hellenic Sailing Federation

Athens Eurolymp Week will take place at the Marina Delta Falirou, in the Faliron Pavilion (used as the Olympic Tae-Kwon-Do gym) and to the Faliron Beach Volleyball Centre.

These facilities formed the Faliron Olympic Coastal Zone Complex for the 2004 Olympics.

The Complex sits between the Peace and Friendship Stadium ("SEF"), near Piraeus (Πειραιάς) to the west and Paleo Faliro (Παλαιό Φάληρο), eastwards toward Athens Airport (www.aia.gr). All are linked by Poseidonos Avenue (Λεωφόρος Ποσειδώνος), the main coastal highway.

The Tzitzifies, Delta Falirou stop of the tram is just outside the complex.

The Tram network connects the centre of Athens, through Nea Smyrni with Paleo Faliro and from there it branches out along the coastal avenue to Alimos, Helliniko, Glyfada and Voula on one end and to the Faliriko Delta, Neo Faliro and the Peace & Friendship Stadium on the other end www.tramsa.gr
